MORISON'S PILLS!!! F. - I. S. WIII MAN, Agents, Bangor THE friends of Hygeranism and the public generally, are aga a cautioned against the unprinipled attempts of apothecaries and quack-doctors to destroy all confidence in these highly valuable and almost indepensable family medicines, by the cry of inposition exorbitant prices falsehood and more than all, by the astonishing benevolence of the craft in unparting to the world their wonderful discovery of the composition of them that a three dollar packet costs but one shilling that any person can make them, etc - Counterfeiters also, beware of the law The British College of Health have recently recon ered damages of the makers and venders of a spurious dangerons article, in the courts of Massachusells and New York; and their exclusive right and proper y in the sale, is firtuly established and confirmed in

I wo hundred thousand dollars worth of these simple and effective medicines are sold annually in the United States, and injury from them is unheard of One cause of the high price they beer, is a heavy export duty paid in England, set they are incompar ably cheaper than any patent medicines ever offered, saving as they do, expensive and protracted fits of atckness

The genuine article cannot be bought of apothe caries, travellers, or pediars, they being dented the sale throughout the world.
